

Local People Helping Local People

**Do you have trouble paying for your medications?
Do you really understand what you're taking and why you're taking it?**

Come to your town office and discuss your concerns with a licensed nurse or social service coordinator from Sacopee Valley Health Center.

Private one-on-one meeting, confidential medication education and *information about getting affordable prescriptions.*

You do not need to be a patient of the health center to take advantage of these services.
